**Endorsement**

Mr. Bissell, B for debtor companies  
Mr. Gleman, B for trustee.

Motion by debtor companies for an order authorizing the companies to enter into amended financing facilities with Mitsubishi HC Capital. Proposal Trustee recommends the relief sought. Amendment necessary to grant Mitsubishi further collateral security in exchange for lending a further \$250,000 against the company receivables. No prejudice to creditors as it will not increase the companies' overall borrowing previously approved by the court.

Draft order signed.
