## APPLICATION

### THE APPLICATION IS FOR:

1. The Applicant, The Toronto-Dominion Bank ("**TD**" or the "**Bank**"), makes application for an Order:

(a) if necessary, abridging the time for service and filing of this notice of application and the application record or, in the alternative, dispenses with and/or validates service of same;

(b) appointing Albert Gelman Inc. as receiver, without security, of the assets, undertakings, and properties (the "**Property**") of the Respondent, Curry's Art Store Limited operating as Curry's Artists Materials and Curry's Artists' Materials (the "**Debtor**"), pursuant to Section 243 of the *Bankruptcy and Insolvency Act*, RSC 1986, c. B-3 as amended (the "**BIA**") and Section 101 of the *Courts of Justice Act*, RSO 1990 c. C.43, as amended (the "**CJA**");

(c) validating service of TD's Application Record upon the Debtor by email to the Debtor's principal at jmghent@currys.com and allowing for substituted service of the Application Record by regular and registered mail to the Debtor at its registered head office address, 610 King Street West, Hamilton, Ontario;

(d) authorizing and empowering Albert Gelman Inc., in its capacity as receiver, to have the within proceedings recognized in a jurisdiction outside Canada, including but not limited to the State of Ohio;

- 5 -

- (e) granting judgment in favour of TD against the Debtor for the indebtedness owing to TD;
- (f) granting the costs of this application, plus all applicable taxes, to TD;
- (g) granting such further and other relief as is just.

2. The grounds for the application are:

- (a) the Debtor is a company incorporated under the laws of the Province of Ontario, operating as an art materials supplier in both retail and wholesale;
- (b) the registered office address of the Debtor is 610 King Street West, Hamilton, Ontario;
- (c) as of today, all physical stores of the Debtor across southern Ontario have been closed, and the Debtor continues to operate as an online retailer and supplier of art materials to schools and educational institutions;
- (d) John Mark Ghent ("**JM**") is the sole director and officer (President and Secretary) of the Debtor;
- (e) the Debtor is indebted to TD pursuant to a letter agreement dated September 16, 2016 between TD and the Debtor, as amended by amending agreements dated April 29, 2021 and July 2, 2021 (collectively, the "**Credit Agreement**"). Under the Credit Agreement, TD made available to the Debtor certain credit facilities (collectively, the "**Credit Facilities**");

- 6 -

- (f) as security for the Credit Facilities, the Debtor provided security to TD (the “**Security**”), including, without limitation, a General Security Agreement dated May 6, 2003 (the “**GSA**”);
- (g) under the terms of the GSA, TD is entitled to appoint a receiver upon default;
- (h) TD is the first-ranking registered secured creditor under the PPSA over the Property;
- (i) for more than four years now, the Debtor has been facing various challenges during the COVID-19 pandemic and post-pandemic business environment;
- (j) despite TD’s concerns, it has provided continued support and significant time to the Debtor to turn around its affairs, however, TD is deeply concerned that its security is deteriorating as the Debtor has been managed by the Financial Restructuring Group for over four years;
- (k) one or more Events of Default (as defined in the Credit Agreement and/or the Security, as applicable) have occurred and are continuing, including, without limitation, the failure of the Debtor to fully repay all indebtedness owing to TD when due;
- (l) on March 11, 2025, TD issued an exit letter to the Debtor, requiring the Debtor to make immediate arrangements to refinance and/or repay TD in full by no later than April 11, 2025;

- 7 -

- (m) the Debtor failed to repay TD in full by April 11, 2025;
- (n) as a result of the Debtor's non-compliance, on April 16, 2025, TD issued a payment demand and Notice of Intention to Enforce Security pursuant to section 244 of the BIA ("**BIA Notice**") to the Debtor;
- (o) the payment demand and BIA Notice have expired and the indebtedness remains outstanding;
- (p) the indebtedness exceeds \$640,000.00 (the "**Demanded Indebtedness**"), remains unpaid and continues to accrue interest;
- (q) TD has provided time to the Debtor ample time to repay its obligations to TD, or to enter an arrangement acceptable to TD for a comprehensive third-party review of the Debtor's accounts and finances with a view of finding an acceptable plan to repay the Indebtedness, yet have failed or refused to do so for six months;
- (r) as noted above, the Debtor is in default of the terms of its obligations under the Credit Agreement and/or the Security (and have been for some time), and has failed or refused to repay the Demanded Indebtedness in full or enter into any arrangements acceptable to TD for the full repayment of the Demanded Indebtedness;
- (s) TD has lost confidence in the Debtor as it has failed to honour its contractual obligations to TD;

- 8 -

- (t) At this stage, TD considers that the only reasonable and prudent path forward is to take any and all steps necessary to protect the Property by having a receiver appointed, and it is within TD's rights under the Security to do so;
  - (u) Albert Gelman Inc. ("**AGI**") has consented to being appointed as the receiver. AGI is a licensed insolvency trustee and is familiar with the circumstances of the Debtor and its arrangements with TD;
  - (v) The other grounds set out in the Affidavit of Kathryn Furfaro in support of the within application (the "**Furfaro Affidavit**");
  - (w) Section 243 of the BIA;
  - (x) Section 101 of the CJA;
  - (y) Rules 1.04, 2.01, 2.03, 3.02, 14, 16, 38 and 41 of the *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, as amended; and
  - (z) such further grounds as the lawyers may advise and as this Court may permit.
3. The following documentary evidence will be used at the hearing of the application:
- (a) the Furfaro Affidavit;
  - (b) the Consent of AGI to act as the Receiver; and

- 9 -

(c) such other material as is required and this Court may permit.

(sworn July 3, 2025)**

**I, KATHRYN FURFARO**, of the City of Toronto, in the Province of Ontario, **MAKE  
OATH AND SAY AS FOLLOWS:**

1. I am a Manager, Commercial Credit in the Financial Restructuring Group ("**FRG**") of The Toronto-Dominion Bank ("**TD**"). TD is a secured creditor of the Respondent, Curry's Art Store Limited operating as Curry's Artists Materials and Curry's Artists' Materials (the "**Debtor**"), and I am responsible for TD's management of the credit facilities that TD advanced to the Debtor (collectively, the "**Credit Facilities**"). As such, I have personal knowledge of the matters to which I hereinafter depose. Where I do not

have such personal knowledge, I have stated the source of my information and, in all such cases, believe it to be true.

## PURPOSE

2. I swear this Affidavit in support of an application by TD for, in substance, an Order appointing Albert Gelman Inc. ("**AGI**") as receiver of the assets, undertakings and properties of the Debtor acquired for or used in relation to businesses carried on by the Debtor and all proceeds thereof (collectively, the "**Property**").

## DESCRIPTION OF THE DEBTOR AND ITS PRINCIPAL

3. The Debtor's corporate profile report is attached as **Exhibit "A"**. The Debtor is incorporated pursuant to the laws of Ontario, with its registered head office address at 610 King Street West, Hamilton, Ontario (the "**Hamilton Store**").

4. The Debtor carries on business as an art materials supplier in both retail and wholesale. On the retail side, the Debtor used to have several physical stores across southern Ontario, but it appears these locations are now closed. The Debtor continues to operate as an online retailer and also sells art supplies to public and private schools, universities, colleges and other educational institutions.

5. Attached as **Exhibit "B"** are: i) a screen shot of a Notice of Distress dated December 9, 2024, advising that the landlord, Mount View Investments Ltd., has taken distress against the goods and chattels located at the Hamilton Store by seizing the goods and chattels for non-payment of rent; ii) a copy of The Hamilton Spectator's article published on December 20, 2024 entitled "Curry's Artists' Materials closes Hamilton

location”; and iii) copy of Your City Within article published on January 10, 2025 entitled “Closure: Curry’s has closed down their last physical location in Hamilton.

6. John Mark Ghent (“**JM**”) is the sole director and officer (President and Secretary) of the Debtor.

## **TD’S LOANS TO THE DEBTOR AND RELATED SECURITY**

7. The Debtor is indebted to TD in connection with the Credit Facilities<sup>1</sup> made available pursuant to and under the terms of the letter agreement dated September 16, 2016 between TD and the Debtor, as amended by amending agreements dated April 29, 2021 and July 2, 2021 (collectively, the “**Credit Agreement**”). A copy of the Credit Agreement, including Standard Terms and Conditions is attached as **Exhibit “C”**.

8. Under the Credit Agreement, TD established a revolving demand credit facility (the “**Demand Operating Facility**”) in favour of the Debtor to fund working capital.

9. The governing Credit Limit in effect since July 23, 2021 is stated as:

“1) Ensure outstanding advanced under the Facility include the face amount of any outstanding undrawn L/Cs, L/Gs, unmatured B/As, LIBOR Loans will be at all times the lesser of:

- (a) From November 1<sup>st</sup> to June 30<sup>th</sup>: CDN \$750,000 (or its US\$ Equivalent) and from July 1 to October 31<sup>st</sup>: CDN \$1,000,000 (or its US\$ Equivalent), and

---

<sup>1</sup> Includes Ancillary Facilities as identified in the Credit Agreement.

(b) the total of:

(i) 75% of the Receivable Value net of over 90 day and related accounts, and

(ii) 33% of the Total Inventory net of under 30-day A/P, except that the amount calculated under

(ii) will not exceed CDN \$500,000 (\$750,000 during the bulge period)."

10. The Demand Operating Facility is available to the Debtor by way of i) Prime Rate Based Loans in CDN\$ ("**Prime Based Loans**"), ii) Letters of Credit in CDN\$ or USD\$ ("**L/Cs**"), and/or iii) Stand-by Letters of Guarantee in CDN\$ ("**L/Gs**").

11. Under the Credit Agreement, the Demand Operating Facility is repayable on demand and TD can demand repayment and/or cancel the availability of the Demand Operating Facility at any time in its sole discretion.

12. Under the Credit Agreement, the Debtor:

a) makes the Standard Representations and Warranties set out in Schedule "A" of the Credit Agreement. All representations and warranties are deemed to be continually repeated so long as the Debtor has any dealings with TD;

b) will observe the Reporting Requirements as well as the Standard Positive Covenants set out in Schedule "A";

c) will observe the "No Dividends and Management Withdrawals" covenant as well as the Standard Negative Covenants set out in Schedule "A";

13. To secure its obligations to TD, the Debtor provided security to TD (the “**Security**”), including, without limitation, the general security agreement dated May 6, 2003 (the “**GSA**”), registration in respect of which was made under the *Personal Property Security Act* (Ontario) (the “**PPSA**”). A copy of the GSA is attached as **Exhibit “D”**.

#### **OTHER SECURED CREDITORS**

14. A copy of the certified PPSA search results for the Debtor current to May 27, 2025 is attached as **Exhibit “E”**, and reflects 3 PPSA registrations:

- (b) second-in-time registration in favour of TD against the collateral classifications of accounts and other; and

---

<sup>2</sup> Combined is defined as Curry's Art Store Limited and 532981 Ontario Limited.

## DEFAULTS AND DEMANDS

15. For more than four years now, the Debtor has been facing various challenges during the COVID-19 pandemic and post-pandemic business environment.

16. On or around December 15, 2020, the Debtor's accounts were formally transferred to FRG due to TD's concerns with the lending relationship, including, but not limited to:

- (a) liquidity challenges,
- (b) failure to pay source deductions (\$606,000),
- (c) payment in the amount of \$423,000 for lease equipment which was moved from the Debtor's Canadian operation to the Debtor's U.S. warehousing company,
- (d) whether the Debtor is able to maintain sustainable revenue levels given the trend of the Debtor's declining inventory purchases;
- (e) decision making of management; and
- (f) operating losses during the COVID-19 pandemic.

17. Despite TD's concerns, it has provided continued support and significant time to the Debtor to turn around its affairs. However, after more than four years in FRG, TD has lost confidence in the Debtor and is deeply concerned that its security is deteriorating.

18. Since June 2023 (the last two years of the lending relationship between TD and the Debtor), the failures of the Debtor, include, but are not limited to the following:

- (a) TD's issuance of a Notice of Default letter dated June 20, 2023, in connection with the Debtor's breach of its Borrowing Base Covenant and Reporting Requirements (collectively the "**Obligations**"), as detailed in the Notice of Default. A copy of the Notice of Default is attached as **Exhibit "F"**.
- (b) In the Spring of 2024, TD discovered a registration made by the Ministry of Finance under the Personal Property Registration System (Ontario) against the Debtor. By email sent on June 21, 2024, TD requested details of the Debtor's Canada Revenue Agency accounts for source deductions, HST and corporate taxes. A copy of this email is attached as **Exhibit "G"**.
- (c) On or about October 9, 2024, the Debtor's payroll payment was returned due to insufficient funds in its account maintained by TD. In an email sent by JM to FRG on October 10, 2024, JM on behalf of the Debtor acknowledged the returned payroll payment and stated: "... However I also completely understand that we have been running on borrowed time for a while now – and I appreciate everything that you and Katie have done to allow us to keep going." A copy of the email chain sent by FRG and JM's reply on October 10, 2024 is attached as **Exhibit "H"**.
- (d) Failing to respond and then refusing to address TD's concerns by appointing AGI as a financial advisor for the purpose of reviewing and

assessing the assets, financial position, business and operations of the Debtor and advising TD in connection with the Debtor's indebtedness. TD first raised the engagement of a financial advisor in early November, 2024 and provided the Debtor with a signed Engagement Letter dated November 5, 2024. Attached collectively as **Exhibit "I"** are TD's email communications requesting the appointment of AGI and the Debtor's refusal to consent to TD's reasonable request. I note the following from these communications (November 2024, December 2024, February 2025):

- (i) TD sent the Engagement Letter to JM on November 13, 2024 and requested dates the following week for an introduction call with the financial advisor.
- (ii) No response from the Debtor and a follow-up email was sent by TD on November 25, 2024. By reply email sent on November 25, 2024, the Debtor provided its monthly compliance certificate for the month ending October, 2024 (with attachments) but did not respond to TD's request to appoint AGI as financial advisor. The Debtor's email stated:

"Vince Lombardi (coach, Green Bay Packers) once said: "it's not whether you get knocked down: it's whether you get back up"

One of the best movie quotes is from Rocky Balboa, where Rocky says to his son:

"The world ain't all sunshine and rainbows. It's a very mean and nasty place and I don't care how tough you are it will beat you to your knees and keep you there permanently if you let it. You, me, or nobody is gonna hit as hard as life. But it ain't about how hard you hit. It's about how hard you can get hit and keep moving forward. How much you can take and keep moving forward. That's how winning is done!"

This theme is actually drawn from the bible: "Although a righteous person may fall seven times, he gets up again..." (Prov24:16)

This is most beautifully expressed in Job, "Therefore, blessed is the man whom God corrects, so do not despise the discipline of the Almighty. For He wounds, but He also bandages; He strikes, but His hands also heal. He will deliver you from six calamities; yes, in seven no evil will touch you." (Job5:17-19)

There is a powerful point in the obvious question: why will no evil touch you in the seventh calamity? Each perfectly designed 'calamity' is designed to build faith, and shows us that we can trust God, we can depend on Him, therefore we learn to surrender and allow this work to be done in us, accepting that each time makes us stronger and more like Him.

There is no question last month was a 'calamity'. I was shocked, blindsided and completely caught off guard. I really didn't imagine that with everything that we have endured, and also given how much I have personally put into keeping this alive, that we'd be side-wiped the way we were with no warning.

Ultimately, this was probably the biggest single contributing factor to how we ended up here. In January 2021 when we were informed that we were being put into the FRG program. At the time we were not using the line, in fact we had cash in the bank, the morning that Arpit called to inform me we had \$263,000 cash in the bank. After making a massive fundamental shift in how we do business in 2019, an investment into our future and our sustainability, and with that massive upheaval in operations we still had less than a \$30k loss in 2019. Being put into the FRG program felt predatory. The way our first account manager treated us, didn't help. So by the time we got to 2022, the pandemic and subsequent governmental response dragging on, and not feeling like we had the bank as an ally really impacted us.

Fast forward to 2024 despite the fact that it has felt like we've transitioned from one minefield to another, one unimaginable event after another. Yet, every step of the way, despite the scope of the 'calamity' I at the very minimum believed that both you and Katie actually wanted us to come out the other side of this. So I kept pushing hard to build, believing that if there was going to need to be an adjustment it would be proceeded with a conversation, and time to plan. With that feeling of support we really focused on build sales on the US side of the border, because there are very few signs of life in the Canadian economy, I believe that our path forward is building the US market. That all came crashing down last month.

Marlon Brando was quoted in saying: "Every time you get knocked down you get up stronger".

I intend to get up stronger.

Almost every lease I have signed has included an 'act of God' clause in it. Every instance and use of this clause is something negative. Although not 'legally' qualifying, there is no question that the events that set the trajectory that Curry's is currently on, starting with Covid and the response to it, is an 'act of God'. I, however, also believe in a God that does awesome and wonderful things. On numerous occasions I have argued that the only reason that any of what I am doing has survived the last 4 years is only because of positive 'acts of God'.

Today, I am certain of one thing, whatever happens next with Curry's will also be an 'act of God'.

That doesn't pay payroll and that doesn't provide the assurances that you, at your financial institution require. I totally appreciate that - and I totally accept that. I think it's sad that we will put that wording into legal documents, into insurance policies and be completely ok blaming anything devastatingly negative on God, yet we are unwilling to give God the credit for the positive.

I have faith that God's plan for all of this is a good plan. As a result, I have and I continue to push forward in humble faith, striving to live by principles using the resources I'm given to fulfill my obligations.

Clearly, we are not where we wanted or expected to be and at this moment. When, by God's grace, we are finally able to put together a couple months without drama, things will quickly stabilize, I watched it happen too many times before. I remain committed, inside the spectrum of God's Will, to get back on track with our finances."

- (iii) No meaningful response from the Debtor and a further follow-up email was sent by TD on December 4, 2024 which also advised the Debtor's account maintained by TD was overdrawn.
- (iv) On February 26, 2025, I asked JM if he had given any more thought to TD's request for a financial advisory engagement. I specifically advised JM that "I am not sure how much more time I can buy internally without it being initiated." By reply email on the same day, JM advised "You and I both know, the moment I sign that piece of paper (Engagement Letter), Curry's is dead. ..."
- (v) On February 27, 2025, I advised the Debtor, inter alia, that given all of the foregoing, without the appointment of a financial advisor to assist TD, I am "compelled to refer the file to our legal counsel and advisors for resolution. I wanted to advise you in advance to reduce the shock where possible. The next step will be that you receive a letter from a bank lawyer and then they will take it from there."
- (e) Failing to pay rent resulting in the Notice of Distress being issued December 9, 2024 and ultimately the closing of the Debtor's last retail store in or about Winter 2024/2025.
- (f) TD learning from the Debtor by email sent on February 24, 2025, that it has been overstating its inventory due to an error which materially impacts the

borrowing base covenant. TD has been unable to verify the extent of the inventory reporting issue and thereby its security position because the Debtor refuses to appoint AGI.

- (g) Failing to repay the indebtedness owing to TD by April 11, 2025, in accordance with TD's exit letter dated March 11, 2025 ("**Exit Letter**") requiring the Debtor to make immediate arrangements to refinance and/or repay TD in full by no later than April 11, 2025 (the "**Repayment Date**"). Attached as **Exhibit "J"** is a copy of the Exit Letter.
- (h) Failing to address the Exit Letter in subsequent emails to TD. Copies of JM's emails sent on March 24, 2025 and April 24, 2025 are attached as **Exhibit "K"**.
- (i) Failing to repay the indebtedness owing to TD on the expiry of Payment Demand and the BIA Notice (as discussed below).

19. On March 14, 2025, TD issued a Business Banking – Amendment to Letter of Credit – Notification of Change letter via courier to the beneficiary of the Letter of Credit established by TD under the Credit Agreement, Canada Border Services Agency, Commercial Registration Unit. To date, TD has not received any response from Canada Border Services Agency, Commercial Registration Unit. Copies of the Business Banking – Amendment to Letter of Credit – Notification of Change letter dated March 14, 2025 and UPS Express courier slip with tracking number are attached as **Exhibit "L"**.

20. As a result of the Debtor's failure to address TD's concerns and to repay the indebtedness owing by the Repayment Date, TD was left with no choice but to enforce its rights and remedies against the Debtor.

21. Accordingly, on April 16, 2025, TD made formal written demand on the Debtor for the payment of the amounts owed to TD under the Credit Agreement (the "**Payment Demand**"). A notice of intention to enforce security (the "**BIA Notice**") pursuant to subsection 244(1) of the *Bankruptcy and Insolvency Act* (Canada) (the "**BIA**") accompanied the Payment Demand sent to the Debtor. Copies of the Payment Demand and accompanying BIA Notice are collectively attached as **Exhibit "M"**.

22. As of the date of the swearing of this Affidavit, the indebtedness remains outstanding and continues to increase.

23. Following the issuance of the BIA Notice and the seasoning of the notice period therein, TD appointed Rachel Moses of Gowling WLG (Canada) LLP as lawyers for TD.

24. I am advised by Ms. Moses and believe that she emailed JM on May 27, 2025, introducing Gowling WLG (Canada) LLP as TD's lawyers in connection with the outstanding indebtedness and provided JM with her contact details (including cell number) to discuss the Bank's decision with respect to next steps. A copy of Ms. Moses's email to JM sent May 27, 2025 is attached as **Exhibit "N"**.

25. The Debtor and/or JM did not respond. Accordingly, I am advised by Ms. Moses and believe that she sent an email to the Debtor on June 17, 2025 at 10:57 a.m. and received an Automatic Reply stating:

"Hello!

26. I am advised by Ms. Moses and believe that when she dialed the Debtor's number 1-800-268-2969, on June 17, 2025, the message received is "the customer you have dialed is currently not available, please try your call again later" and then the line disconnects.

27. I am advised by Ms. Moses and believe that she did not receive a response from the Debtor or JM (until June 25, 2025 as described further below).

28. By email sent on June 24, 2025, I received an email from JM providing internal reporting on accounts payable, accounts receivable, inventory and the monthly compliance certificate for the month ending May, 2025. By reply email sent on June 25, 2025, Ms. Moses responded on behalf of TD advising:

"Mr. Ghent,

As you are aware, we are the lawyers for TD in connection with the indebtedness owing by Curry's Art Store Limited (the "**Debtor**"). Over the past two months, we have written to you several times and to date, you have chosen not to respond. Specifically, we note the following:

- On April 16, 2025, TD made formal written demand on the Debtor for the payment of all indebtedness owing ("**Payment Demand**").
- The Debtor failed and/or refused to respond to the Payment Demand, and the indebtedness remains outstanding in full to TD.
- On May 27, 2025, we emailed you advising that TD has retained Gowling WLG (Canada) LLP as its lawyers in connection with the indebtedness and asked that you contact us to discuss the outstanding indebtedness. I even provided you with my personal cell number.
- You failed and/or refused to respond to my email.

- On June 17, 2025, I sent an email to the Debtor at 10:57 a.m. and received an Automatic Reply ...
- To date, no response has been received to my second email sent on June 17, 2025.
- Also, on June 17, 2025, I dialed the Debtor's number 1-800-268-2969 and received the message: "the customer you have dialed is currently not available, please try your call again later" - the line disconnects.

On behalf of TD, we advise that TD is moving to appoint a receiver over the Debtor in order to enforce its rights and remedies under its loan and security documents. The Debtor has simply failed and/or refused to address TD's concerns, including the Payment Demand that expired months ago. You and/or your lawyer may reach me by email or my cell is [redacted]. We will be serving you with TD's application record shortly."

29. I am advised by Ms. Moses and believe that shortly after her email, JM called her and the nature of their call is confirmed in an email sent by Ms. Moses to JM on June 25, 2025 at 4:04 p.m. confirming:

"Mr. Ghent,

I confirm our call today and the following:

1. You do not have your own cell number, and you are using a "borrowed" phone. This is because you are trying to cut costs.
2. You are currently residing at 24395 Smith Road, Wellington, Ohio, 44090 USA
3. The company has no premises in Ontario/Canada. The business operates as online sales only.
4. The company pays rent for a warehouse at 9237 Avon Lake Road, Lodi, Ohio. There are no assets in Ontario.
5. If you have a repayment plan, provide it in writing to be considered. However, the accounts have been in FRG since 2020, TD has been more than patient and accommodating, the company refused/failed to agree to a consultant to provide line of sight and all indebtedness has been demanded on."

30. Attached as **Exhibit “O”** are copies of the email communications sent on June 24, 2025 by JM and on June 25, 2025 sent by Ms. Moses<sup>3</sup>.

31. By email sent on July 2, 2025, Ms. Moses provided JM a copy of the issued Notice of Application and advised him that the application hearing is returnable on July 14, 2025 at 11 a.m. by Zoom, and indicated that TD is seeking an order validating service of the application by email. JM responded to Ms. Moses’s email on July 3, 2025. Attached as **Exhibit “P”** is a copy of their exchange.

32. At this stage, TD considers the only reasonable and prudent path forward is to take any and all steps necessary to protect the assets to which its security attaches by having a receiver appointed, and it is within TD’s rights under its security to do so.

33. As of June 26, 2025, the Debtor is currently indebted to TD for principal and interest, plus accruing interest and costs, as follows:

Loan Number	Principal	Interest	Total
7331494/1275 (USD)	\$216.86 (USD)	\$0.00	\$216.86 (USD)
Operating Loan (BCRS) – 9522017 – 06 / 1275	\$630,000.00 (CAD)	\$9,031.62 (CAD)	\$639,031.62
<b>TOTAL CAD:</b>			<b>\$639,031.62</b>
<b>TOTAL USD:</b>			<b>\$216.86</b>

<sup>3</sup> Ms. Moses’ cell number has been redacted.

## APPOINTMENT OF A RECEIVER

34. The provisions of TD's Security allow for the appointment of a receiver over the assets, undertakings and properties (the "**Property**") of the Debtor upon default.

35. The BIA Notice has expired and TD is in a position to seek an order appointing a receiver.

36. In the circumstances set out above, I believe that it is just and equitable that a receiver be appointed. A receiver is necessary for the protection of the Property and the interests of TD and all stakeholders. TD believes that the appointment of a receiver would enhance the prospect of recovery by TD and protect all stakeholders.

37. TD has been more than reasonable and accommodating, but the status quo cannot continue. There appears to be no end in sight, or an acknowledgment from the Debtor that TD has lost confidence and requires the indebtedness to be repaid.

38. TD proposes that AGI be appointed as the receiver of the Property. AGI is a licensed insolvency trustee and is familiar with the circumstances of the Debtor and its arrangements with TD.

39. AGI has consented to act as receiver should the Court so appoint it, as set out in AGI's consent in TD's application record.

40. This Affidavit is made in support of the within application, and for no other or improper purpose.

An art supply store in west Hamilton has closed.

Earlier this month, a sign appeared on the door of Curry's Artists' Materials on King Street West suggesting the store hadn't paid rent and the landlord had seized whatever goods were left inside.

Art store chain Curry's has closed down their last remaining physical store in Hamilton.

It was once an experience for artists of all levels to walk through the doors of a location of the art shop, physically experiencing all the smells, textures and bright colours of the supplies on offer.

Shoppers can no longer test markers or feel a sketchbook's paper in person at a Curry's store. They only had one remaining physical store, and it's now closed.

The Hamilton store is still listed as open on King Street West on the Curry's website, but is closed according to Urbanicity which reports the lights are off and a Notice of Distress has been posted in the window.

"We are currently online only at this time," an online Curry's representative tells YourCityWithIN.com. The Curry's rep says that Curry's continues to ship all over Canada and the US.

Another rep tells YourCityWithIN.com that the Hamilton location is "temporarily closed until further notice but our distribution center is still open and we are fulfilling orders across the country."

"Receivable Value" means, at any time of determination, the total value of those of the Borrower's trade accounts receivable that are subject to the Bank Security other than (i) those accounts then outstanding for 90 days, (ii) those accounts owing by Persons, firms or corporations affiliated with the Borrower, (iii) those accounts that the Bank may from time to time designate in its sole discretion, (iv) those accounts subject to any claim, liens, or encumbrance having or purporting to have priority over the Bank, (v) those accounts which are subject to a claim of set-off by the obligor under such account, MINUS the amount of all the Borrower's unremitted source deductions and unpaid taxes.

"US\$ Equivalent" means, on any date, the equivalent amount in United States Dollars after giving effect to a conversion of a specified amount of Canadian Dollars to United States Dollars at the Bank's noon spot rate of exchange.

## **2. INTEREST RATE DEFINITIONS**

Prime Rate means the rate of interest per annum (based on a 365 day year) established and reported by the Bank to the Bank of Canada from time to time as the reference rate of interest for determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness in Canada for Canadian dollar loans made by it in Canada.

The Stamping Fee rate per annum for CDN\$ B/As is based on a 365 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance. The Stamping Fee rate per annum for US\$ B/As is based on a 360 day year and the Stamping Fee is calculated on the Face Amount of each B/A presented to the Bank for acceptance.

LIBOR means the rate of interest per annum (based on a 360 day year) as determined by the Bank (rounded upwards, if necessary to the nearest whole multiple of 1/16th of 1%) at which the Bank may make available United States dollars which are obtained by the Bank in the Interbank Euro Currency Market, London, England at approximately 11:00 a.m. (Toronto time) on the second Business Day before the first day of, and in an amount similar to, and for the period similar to the interest period of, such advance.

USBR means the rate of interest per annum (based on a 365 day year) established by the Bank from time to time as the reference rate of interest for the determination of interest rates that the Bank charges to customers of varying degrees of creditworthiness for US dollar loans made by it in Canada.

Any interest rate based on a period less than a year expressed as an annual rate for the purposes of the Interest Act (Canada) is equivalent to such determined rate multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days in the period upon which it was based.

## **3. INTEREST CALCULATION AND PAYMENT**

Interest on Prime Based Loans and USBR Loans is calculated daily (including February 29 in a leap year) and payable monthly in arrears based on the number of days for which the subject loan is outstanding. Interest is charged on February 29 in a leap year.

The Stamping Fee is calculated based on the amount and the term of the B/A and payable upon acceptance by the Bank of the B/A. The net proceeds received by the Borrower on a B/A advance will be equal to the Face Amount of the B/A discounted at the Bank's then prevailing B/A discount rate for CDN\$ B/As or US\$ B/As as the case may be, for the specified term of the B/A less the Stamping Fee.

Interest on LIBOR Loans is calculated and payable on the earlier of contract maturity or quarterly in arrears, for the number of days in the LIBOR interest period.

L/C and L/G fees are payable at the time set out in the Letter of Credit Indemnity Agreement applicable to the issued L/C or L/G.

Interest is payable both before and after maturity or demand, default and judgment.

Each payment under this Agreement shall be applied to any indebtedness or amounts owing in any order at the sole discretion of the Bank.

For loans not secured by real property, all overdue amounts of principal and interest and all amounts outstanding in excess of the Credit Limit shall bear interest from the date on which the same became due or from when the excess was incurred, as the case may be, until the date of payment or until the date the excess is repaid at 21% per annum.

If any provision of this Agreement would oblige the Borrower to make any payment of interest or other amount payable to the Bank in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Bank of "interest" at a "criminal rate" (as such terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by the Bank of "interest" at a "criminal rate", such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows: first, by reducing the amount or rate of interest, and, thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the Bank which would constitute interest for purposes of section 347 of the Criminal Code (Canada).

**24. LIMITATION ACT**

The Borrower and the Bank hereby agree that the limitation period for commencement of any court action or proceeding against the Borrower with respect to the Facility shall be six (6) years rather than the period of time that is set out in the applicable limitation legislation.

**25. SEVERABILITY**

In the event any one or more of the provisions of this Agreement shall for any reason, including under any applicable statute or rule of law, be held to be invalid, illegal or unenforceable, that part will be severed from this Agreement and will not affect the enforceability of the remaining provisions of this Agreement, which shall remain in full force and effect.

Hi JM,

Hope you're well. As part of our regular work on the file, we pulled our annual PPSA search for Curry's, and noticed a registration from the Ministry of Finance. Can you please let me know what this is in regard to? Can you please send us a screenshot of your CRA accounts for source, HST and corporate taxes?  
Thank you – have a nice weekend as it arrives.

I understand Matthew,

That is payroll.

The worst part of this, is we are really starting to see great things happen, it is just taking so long getting schools to pay – government run schools.

As an example of great things happening, our biggest competitor in Canada, DeSerres, was just bought by a private equity firm, Art stores are strange animals, ever time I have seen this, it has not gone well. I think Michael's has played that game at least twice. The most notable example was a company called Utrecht. Which was owned by a private equity firm for less than 3 years before they dumped it to Blick artist materials.

However I also completely understand that we have been running on borrowed time for a while now – and I appreciate everything that you and Katie have done to allow us to keep going.

I never imagined when we made the biggest investment and move in this companies history, that less than a year later the entire economy would be shut down, and I still can't fathom that a government that shut down small businesses, crushed our revenue by almost 70% for two years can pat themselves on the back for giving us 7% back in 'support'. We have been battling everyday, for that last year and a half, our story has been on repeat, we just start to get momentum and then something else sideswipes us. That is why the fact that this is happening, once again as result of governmental action (or inaction) really stings – a lot.

I would like, when you have a moment, to get a snapshot of where you are seeing in the Canadian economy? I know what the news is reporting, but I don't think that matches what is actually happening. I have always found the fastest indication of the state of the economy is to talk to people running trucking companies, their adage is: 'if it's not moving, it's because it's not selling'. My grandfather used to count how many box cars went through Toronto, apparently they used to publish that in the paper everyday. I have been hearing from them that current volumes of freight is worse than 2008/09 levels. That is alarming. Where you see the economy? What's your take as you are managing a number of different portfolios, I'm sure you've got a very good grassroots grasp on the lay of the land.

I'm going to keep fighting, I truly believe that we are going to rebuild this, we have come through too much, and there is too much happening to stop going. I have faith that whatever we need will be what is provided, that story has also repeated itself countless times in the history of this business.

Again thank you,

**JM Ghent**

Good Morning JM,

Are you getting any of this winter weather over there? First dusting of snow here, so of course everyone has forgotten how to drive.

I'd like to follow up again on the attached letter – can you please advise?

Also, the account is overdrawn this morning – are you expecting deposits today?

Many thanks,

Hi JM,

I hope all is well. It was great to see that large Shopify deposit arrive, which let funds flow through the account again.

When we spoke a couple of weeks back, you had mentioned you'd be exploring any available options for additional support or a strategy going forward – can I ask for any update?

We had also spoken about the engagement of a Financial Advisor on the file, who will provide a 3<sup>rd</sup> party view on the situation. Attached is an engagement letter for Bryan Gelman of Albert Gelman Inc. for your execution. Please do not be startled by some of the insolvency language – this is our standard form. Of course, if you like, please feel free to share this with your own advisors.

Please advise of some availability next week for an introduction call with Bryan.

Thank you,

Good evening Katie,

I hope all is well with you.

I am confident that if we can pull together a few drama free months we will be in a spectacularly different spot. We've done it so many times in the past – there is a strong resilience in the history of this company. Believing that ultimately this is the goal that everyone wants, our focus has been on stringing those months together. There is no doubt that we have been making strides, slow but purposeful strides.

We have been plowing through all the issues with our backend system, WMS and website, working on ensuring that we are working with the best data possible. As mentioned in the last email, in the haste to get the system up and running there were some spectacular issues that started compounding. Based on thorough testing, it looks like we have successfully resolved the communication issues between platforms. That apparently seriously negatively impacted the pricing files between platforms - we've got all those cleaned up. additionally we have been able to boost inventory to meet customer orders, and we are really working hard to be healthy by back-to-school.

Hopefully we can string together those months and finally start to see what the new and improving Curry's can look like in this new economy.

Good evening Katie,

I hope all is well in your world.

It is so nice to finally have some spring weather.

In the face of massive economic headwinds, tariffs, and what is feeling like an endless barrage of systems related issues - we are still fighting hard to build momentum. With our head down, leaning in hard with our nose to the grindstone, despite all the challenges, we are starting to feel like the hard work is starting to get results. We have a long way to go, and there are more challenges ahead of us, but as long as we can continue focusing on doing the basics we'll be setting the table for our recovery.

The fight continues...

Good evening Katie,

I hope all is well with you.

We continue to battle, pushing forward, working on gaining ground in a very turbulent market place. I can't believe that Canadian Tire acquired the Bay, who would have imagined that 5 years ago?

The marketplace is changing rapidly both on a whole, but also in the art supply industry. The biggest earthquake that this industry is navigating through is the closure of the biggest Artist Material distributor in North America, another domino as a result of Joann's closing in the US. Additionally, the fourth biggest Art Store/eCom site in the US has announced that they are closing. As the marketplace evolves we continue to find a ways to navigate the turbulent waters – slowly and surely.

Good evening Katie,

It finally feels like we've really actually turned a corner – more good days than bad, in fact we've had a run of a solid good 7 weeks. We have spectacularly cut costs, and are starting to build positive momentum. Part of the cost cutting has been mercilessly cutting staff, which means we are wildly understaffed, but as a very small team we are making it work. It's a do whatever it take environment, triaging and taking care of the next most important thing so we can keep building momentum. As I stated previously, if we can have a couple of drama-free months, we'll really start to see the difference, and thankfully, we are really starting to see it. As communicated in my report last month we have cut of extending terms to schools, and even with that we are getting really decent volume in school orders – nowhere near where it was, or where it could be, but we are building, and the building is starting to get exciting.

With the fallout from this winter's supply chain earthquake in this industry, we've pivoted to a replacement vendor and we starting to get orders in. I've accepted the reality that it's like getting into shape, those first few runs your taking a lot of shallow breaths as your lungs fight to get enough oxygen, but with consistent persevering we'll get through this and start first rebuilding inventory, and start paying down debts. It's really refreshing to see that as a path that is opening in front of us, as it has been a lot of really really dark months, with countless unimaginable events happening month after month.

I'm not naïve to think that there aren't challenges ahead, but I also have faith that the massive storm that has all but gutted this business (as well as countless other businesses) over the last 5 years is passing and like my great grandfather did in the second half of the 1930s, we have the opportunity to start building again. For the first time in a long time I can genuinely say that I can't wait to see what's next.

Hope all is well in your world.

Mr. Ghent,

As you are aware, we are the lawyers for TD in connection with the indebtedness owing by Curry's Art Store Limited (the "**Debtor**"). Over the past two months, we have written to you several times and to date, you have chosen not to respond. Specifically, we note the following:

- On April 16, 2025, TD made formal written demand on the Debtor for the payment of all indebtedness owing ("**Payment Demand**").
- The Debtor failed and/or refused to respond to the Payment Demand, and the indebtedness remains outstanding in full to TD.
- On May 27, 2025, we emailed you advising that TD has retained Gowling WLG (Canada) LLP as its lawyers in connection with the indebtedness and asked that you contact us to discuss the outstanding indebtedness. I even provided you with my personal cell number.
- You failed and/or refused to respond to my email.
- On June 17, 2025, I sent an email to the Debtor at 10:57 a.m. and received an Automatic Reply stating:

"Hello!

Thank you for reaching out to us - one of our representatives will get back to you as soon as possible. Our goal is to continue to inspire you, whether you are new to the world of art, a practicing artist, or simply seeking a new way to explore wellness through creativity.

Please note, couriers continue to experience a higher volume of orders which can lead to occasional shipping delays. We will always do our best to get orders into the courier's hands as quickly as possible, so you can keep moving along on your creative journey!

We truly appreciate your support of our small business.

Sincerely,

Curry's Customer Support

- Also, on June 17, 2025, I dialed the Debtor's number 1-800-268-2969 and received the message: "the customer you have dialed is currently not available, please try your call again later" - the line disconnects.

On behalf of TD, we advise that TD is moving to appoint a receiver over the Debtor in order to enforce its rights and remedies under its loan and security documents. The Debtor has simply failed and/or refused to address TD's concerns, including the Payment Demand that expired months ago. You and/or your lawyer may reach me by email or my cell is {redacted}. We will be serving you with TD's application record shortly.

Good evening Katie,

It finally feels like we've really actually turned a corner – more good days than bad, in fact we've had a run of a solid good 7 weeks. We have spectacularly cut costs, and are starting to build positive momentum. Part of the cost cutting has been mercilessly cutting staff, which means we are wildly understaffed, but as a very small team we are making it work. It's a do whatever it take environment, triaging and taking care of the next most important thing so we can keep building momentum. As I stated previously, if we can have a couple of drama-free months, we'll really start to see the difference, and thankfully, we are really starting to see it. As communicated in my report last month we have cut of extending terms to schools, and even with that we are getting really decent volume in school orders – nowhere near where it was, or where it could be, but we are building, and the building is starting to get exciting.

With the fallout from this winter's supply chain earthquake in this industry, we've pivoted to a replacement vendor and we starting to get orders in. I've accepted the reality that it's like getting into shape, those first few runs your taking a lot of shallow breaths as your lungs fight to get enough oxygen, but with consistent persevering we'll get through this and start first rebuilding inventory, and start paying down debts. It's really refreshing to see that as a path that is opening in front of us, as it has been a lot of really really dark months, with countless unimaginable events happening month after month.

I'm not naïve to think that there aren't challenges ahead, but I also have faith that the massive storm that has all but gutted this business (as well as countless other businesses) over the last 5 years is passing and like my great grandfather did in the second half of the 1930s, we have the opportunity to start building again. For the first time in a long time I can genuinely say that I can't wait to see what's next.

Hope all is well in your world.

Good morning, Ms. Moses

I know you don't know me, and I'm assuming that you have your impressions and have drawn your conclusions, which I am not going to try to change.

However, I wanted to paint a picture of why we are here, and perhaps make sense of the things that don't make sense to you.

My relationship to God is everything to me, which makes where we are fiscally absolutely devastating. I come from the world of 'don't owe money', and here we are, after countless rounds in the ring with Mike Tyson completely beat up - but we keep going, in faith, knowing the easiest way to pay everyone that needs to pay back is by rebuilding this business. That is the only way. My little family has literally done everything we can to make this happen, from living off of emergency storage food and cutting all possible expenses just so we can put as much money into making this business rebound as possible.

My little family is the place to start. In 2022 I was ready to give up on the business, life in Ohio - everything. I was going to collapse it all and walk away. Then God stepped into our life in an unexpected and exceptional way, He placed a 10 year old girl from the foster system in our home. With 2 failed placements, she was deemed 'un-adoptable'. In fact the social workers told us that if it didn't work with us that she'd be placed in a group home till she ages out - just google the life expectancy of kids that end up in that part of the system. So we had no options we had to make it work.

Through all that I was also trying to raise from the ashes a business that it seemed no one else wanted to survive. Here's the problem that we were staring down the barrel of, if the business closes, our visa immediately expires and we are heading home, and that little girl goes to a group home. We've been functioning in a place where failure isn't an option. So we fought with everything in us we fought, to rebuild. Every time we had a set back we dusted ourselves off and pushed forward again.

In the last 9 months there have been an unimaginable number of set backs, most of which were entirely outside our control. Yet, we keep dusting ourselves off and pushing forward even harder.

To me there is only one path forward, rebuilding this. And for the first time in a long time we are starting to see it actually gaining traction. Today, we aren't in a position to pay TD's line, but we are making huge progress and want to get there. I want to get there because I hate owing money, I want to get there because it is right, I want to get there because I want to obey one of my core life principles.

If Covid hadn't have happened, and the resulting lockdowns, and the massive supply chain issues, and the related hiring challenges, and if I could have walked away from contracts/obligations that were killing us as a result us working on aggressively right sizing the business, we'd be in a different place, but this is where we are today - and yes, I still believe in faith that this is where we are supposed to be, even though it's not where I want to be.

I made it clear to Ms. Furfaro, my FRG account manager, that I'd do whatever the bank wants when it came to the consultant. In February I gave a snapshot of the extent I am willing to go to save this (you mentioned on the phone you have read that email), the response I got from Katie is that she disagrees with my chronicling of events and that she will need to pass this to legal. The next email I received from the bank or legal was from you on May 27th. Listed on the document you provided today is a communication sent on March 11<sup>th</sup>, 2025 (i) and one sent April 16<sup>th</sup>, 2025 (n) , I'm sorry, I never received those.

Additionally, I'm sorry that I didn't respond soon enough to your email, it was my intention to send a proposal that I was confident that we could live by, given the fact Canada Day was in there which affects buying patterns I wanted to ensure what I had been seeing over the last 8 weeks was a pattern we could build on.

I fear that the bank will not recoup its \$640,000 if it seizes and sells down the inventory. Especially given the instability in the art supply market at the moment, there has been a lot of inventory dumped into the marketplace recently with the closing of Joann's, Cheap Joe's and MacPherson's. I would like to propose that we pay our debt to TD completely within the next 9 months - TD paid in full. If we can have 9 drama free months like the last 2 have been, including Back to School, Christmas and second semester Back to school I believe that it is absolutely attainable. TD doesn't have to deal with the mess of cleaning this up, and they get all their money all while maintaining the ability if being able to proceed legally if at any point they don't believe that our goal is achievable.

Again, I want to do what is right, and yes, I acknowledge you don't know me, but I sincerely believe the best path for the bank is to let us pay them back as we rebuild.

Finally, I have reactivated my cell phone, 330-636-8688.
